MOFC Replica Mount by LAX Taxidermy for the 2021 Season

Members of First Wisconsin Chapter that enter a muskie 40"+ in the chapter's MOFC for the season, will be entered for the random drawing of a replica mount by LAX to be provided by the chapter.

The goals of this drawing are to encourage members to enter fish in the Lunge Log and to entice more people to join the First Wisconsin Chapter of Muskies Inc.

A member will have up to 3 fish 40"+ (that are registered in the chapter's current season MOFC). Each fish 40"- to less than 50" get one chance. Fish 50"+ will get 2 chances.

The drawing winner can have a replica mount of any fish they have entered during the current season. Or a previous "Mount Worthy" muskie (Ex: Personal Best, Tiger, sentimental muskie) **that they have registered on the Lunge Log**. The chapter will pay for the cost of the winner's longest fish of the current season, with the winner paying the extra cost to the chapter for the longer fish. If the chosen fish is shorter, that will be the chapter's cost. Multiple pictures of the muskie at different angles are recommended to create an accurate reproduction.

The drawing of the winning name will be conducted at the Awards Banquet. If the banquet is postponed, at the February Board meeting. Two different names will be drawn, the Winner and the Alternate. The winner will be announced. The alternate name will not be announced but sealed in an envelope and opened by the board if necessary. The winner will have 5 business days after notification to decide if they accept or decline. If the winner declines, the alternate will be notified and given the same choice. The replica mount will be ordered immediately by the board.

A person can only win once every 5 years (Ex.- the person who wins in 2021, will be eligible again in 2026). No transferring of the mount by the winner.

If the angler chosen declines the mount, they will not be subject to the 5 yr. ineligibility period. The chapter will not award a replica mount for the season and the budgeted money will go toward the next season's award budget.

The chapter award is for a single side replica mount. The winner will be responsible for any "additions". <https://www.laxreproductions.com/pricing-ordering>

The contest will rely on honest reporting by the members. The chapter board of directors will decide any conflicts or questions.

Winner must agree to the use of their name and likeness in publicity and pictures by the chapter.
